LIEUTENANT AND BRIDE VICTIMS OF HUGE JOKE

Lieut. W. D. Seay of Camp Lewis and Charlie Seay were victims of a huge joke when they appeared in the county clerk's office on Thursday afternoon for a marriage license. The lieutenant is a close personal friend of Professor Glascock of San Mateo, both having come from Indiana where they were schoolmates. The professor telephoned to the sheriff's office just before the young couple arrived in the court-house instructing the deputy to arrest the bridegroom on a fake telegram prepared by the professor. When the pair arrived Deputy Lampkin carried out his part in the joke and escorted the bridegroom-to-be into the inner office leaving the pretty bride at the clerk's desk. After a long wait the young woman proceeded to the office of the sheriff and on seeing her husband-to-be, in the custody of the officer she fainted but when told that it was all a joke she soon recovered and at once entered into the spirit of the occasion. They were married that evening at the home of Mr. B. Glascock. The young lady is from Los Angeles.

VALUABLE LAND TO BE PUT ON THE MARKET SOON

Judge Buck during the week made an order directing County Surveyor J. V. Neuman and R. F. Chilcott to survey and lay out the Brittan ranch of 400 acres near San Carlos and place same on the market as soon as possible. The N. J. Brittan estate is heavily encumbered and it is the purpose of the court to sell a portion of the realty and thus dispose of the existing debts. Mr. Neuman has already begun his work. Mr. Chilcott will make a plat of the property at once so that no time will be lost in offering the land for sale in small tracts at reasonable prices.

LIEUT. J. A. ADAMS INHERITS \$5,000 FROM UNCLE IN EAST

J. A. Adams, formerly assistant accountant for the Western Pacific, who is now engaged at Menlo Park in writing a descriptive article on the big camp for the Sacramento Union and who is well-known in Redwood City, has received a bequest of \$5,000 from an uncle, Joseph Birrell, who died recently at Toronto, Canada.

The late Mr. Birrell was 94 years of age and formerly an active figure in Canadian affairs.

Mrs. Adams is an ardent worker in the cause of religion at Sacramento, where the Adams reside. Yesterday Mrs. Adams notified that she had been elected vice-president of the Catholic Women's National League of St. Francis church at Sacramento. The purpose of the league is to assist as a body in all work, such as Red Cross, Belding Relief, baby welfare, etc., along lines so as not to interfere with any existing organization. The members of the league will retain their connection as individuals with other patriotic societies.

TWO NEW DIVORCE ACTIONS STARTED IN SUPERIOR COURT

Ralph Allen has commenced an action in the superior court against his wife, Florence B. Allen, for an interlocutory decree of divorce on the ground of desertion. The couple was married at Salt Saint Marie, Michigan, on October 17, 1911, and separated on November 25, 1916. John D. Willard is the attorney for plaintiff.

Anna Richter has brought an action for an interlocutory decree of divorce in the superior court against her husband Adolph Richter, on the ground of extreme cruelty. The Richters were united in marriage at San Francisco on November 19 1913 and separated on May 9 1918. Plaintiff asks for the custody of the minor child Gertrude Richter aged 3 years and for attorney fees in the sum of \$200 costs \$25 and \$75 for support of herself and child. Richter owns an upholstery business at Palo Alto and has a home in Stanford Park in this county. Mrs. Richter in her complaint alleges that her husband earns \$300 a month from his business. He owns a house and lot in Stanford Park valued at \$3000 and has an automobile worth \$700 and has money deposited in several banks. John D. Willard is the attorney for plaintiff.

THE TRIBOLET PROPERTY SOLD TO HARRY R. FEE

Judge Buck on Thursday confirmed the sale of the G. Tribolet property on the corner of Main and Phelps street to Harry R. Fee for \$4625. The realty was sold two weeks ago by the administrator of the estate of Anna B. Tribolet, deceased, to L. Deluchi for \$3,800. When the sale came up for confirmation in the superior court on Thursday Sam W. Crocker appeared for Harry R. Fee and raised the bid ten per cent. This left the matter open so all who wished could bid for the choice piece of property. There were only two bidders, L. Deluchi and Mr. Fee. The bidding was lively until the sum of \$4625 was reached when Deluchi withdrew and the sale was confirmed to Mr. Fee for that amount. The property is considered cheap at that price.

Sues for Personal Injuries

Henry W. Hage, through his attorney John D. Willard, has brought an action in the superior court against the United Railroads Company to recover the sum of \$750 for personal injuries received on March 3rd of this year. Plaintiff was driving in a surry on Grand avenue at South San Francisco when he was run into by a street car operated by defendant and was severely injured. The complaint alleges carelessness on the part of the defendant.

REPORT OF MEETING OF BOARD OF SUPERVISORS

The board of supervisors met in regular session Monday, June 3rd. The board, on motion of MacBain, seconded by Brown, voted the sum of \$250 to be expended in carrying on the child welfare work in the county. Mrs. John L. McGinn chairman of the San Mateo County Woman's branch of the State and National Councils of Defense, and who made the appeal to the supervisors for assistance, addressed the board and expressed her thanks for the donation made.

This being the day set for hearing the petition filed at the meeting of May 6th, asking for the abandoning of portions of Upas street, between First and Second avenues in the San Mateo City Homestead so as to reduce the width of the thoroughfare from 60 to 40 feet, Attorney Lee T. Flynn, representing the petitioners, addressed the board and explained the reasons for wishing the street width reduced.

Attorney J. J. Bullock of Redwood City, appearing for E. A. Husing and other property owners along Upas street, appeared before the board in opposition to the petition.

Husing was present at the hearing addressed the board and after giving a history of the laying out of the lots and streets in the Homestead Addition, made a strong plea against the granting of the petition, claiming that the reducing the width of the street, as asked, would be a severe detriment to his property.

Chris Eskilson, another interested property owner, and the sanitary inspector for the district, also voted his opposition to the petition. Eskilson's admission that he had removed some trees from in front of the George S. Garrett property, on Upas street, in order to carry on certain sanitary work, brought Attorney Geo. T. Rose to his feet, who in a heated address claimed the inspector should be arrested and prosecuted for violating the county ordinance in that the board had not secured a permit from the board of supervisors before cutting down the trees on the street. Attorney Rose claimed that the opposition was nothing more than a "dick in the manger" proposition and he asked the board to grant the request of the petitioners and order the cutting down the width of the street.

Attorney Bullock stated that there were more persons opposed to the petition than those present at the hearing and he asked that the hearing be continued until these could be heard. After further argument in the matter, the board decided, on motion of MacBain, seconded by Brown to go up to the Homestead in a body and hear the situation in question with County Engineer Neuman. The hearing was thereupon ordered continued to Monday, June 17th.

Judge E. F. Fitzpatrick appeared before the board in the matter of the hearing of the petition filed at the meeting of May 13th, calling for the abandoning of certain roads in "Portola Woods" in the Third township, a tract of land belonging to the Spring Valley Water Company.

W. B. Lawrence, superintendent of the Spring Valley Water Company, was sworn and testified that the matter set forth in the petition presented was true and that the company desired to construct new roads as substitutes for the old ones.

A resolution granting the petition and ordering the closing of the roads designated, was thereupon adopted on motion of MacBain, seconded by Hickey.

Horticultural Inspector Newton Peck reported that he had inspected during the month of May 8404 trees, plants and shrubs, together with 14 cars of potatoes, in connection with his report, Peck stated that he had been compelled to put in 18 days time in order to cover this work, for which he was only allowed to put in a claim for 8 days and expenses. The report was ordered filed, on motion of Hickey, seconded by MacBain.

The application of J. S. Miguel of Miramar for a dance permit came up for its second reading and same was granted, on motion of Francis, seconded by MacBain, the members all voting "yes" on roll call, with the exception of Supervisor Brown, who voted "no".

Supervisor MacBain reported that he had investigated the claim of Mrs. Zada Mansfield for draperies placed in the Miramar dancing pavilion which she had leased from Miguel and that the latter had refused to pay Mrs. Mansfield \$30 for the same. A check covering this amount and sent to Supervisor MacBain, was turned over to the clerk of the board to be forwarded to Mrs. Mansfield. A petition signed by A. Guerra and other residents of La Honda, was received, asking the board to appoint and maintain a patrol during the dry season to combat forest fires on the mountains in the vicinity of La Honda.

On motion of MacBain, seconded by Hickey, the matter was laid over until the next meeting of the board.

A communication was received from Edward A. Schyne, asking for permission to construct several small buildings on the J. H. O'Keefe property at Menlo Park. The communication was ordered referred to Supervisor MacBain.

A communication was received from the Federal Reserve Bank calling the board's earnest consideration to the vital importance of Governmental economy at this time especially along the lines of street, and road improvement and building construction of all kinds. The communication brought out in the strongest terms the necessity of putting everything aside during the existence of the war, so that all available money could be used in the prosecution of the war.

SALE OF PORTION OF PHELPS' ESTATE CONFIRMED BY COURT

Judge Buck on Friday last, confirmed the sale of over 900 acres of land known as the water shed and belonging to the Josephine A. Phelps estate to the Spring Valley Water Company for \$90,000. There were no other bidders for the property.

A force of men dragged the lake on Thursday and in the afternoon succeeded in finding the body after it had been in the lake for twenty-four hours. Deputy Coroner John Layne was called and he removed the remains to Redwood City. The young man was a native of Italy, aged 27 years. He has five brothers, a number of whom are in the American army, and two sisters residing in Italy. LIBERTY THEATRE PRESENTS "THE UNBELIEVER" SUNDAY

Events in the moving picture world
follow each other rapidly these days
with the keen competition between
theatre managers over the biggest
and best attractions.

The management of the Liberty
Theatre captured the big prize of the
season when he secured the big Ed-
ison contribution to American war
drama, "The Unbeliever." This story,
adapted from Mary Raymond Ship-
man Andrews' novelette, "The Three
Things," was directed by Alan Cros-
land, and stars Raymond McKee and
Marguerite Courtot, the one as a
brave and chivalrous United States
Marine; the other as a young Belgian

IN "THE UNBELIEVER"

girl enmeshed in the horror and
tragedy of the Great War. Support-
ing these principals are Darwin Karr,
well known as a player in the early
military dramas; Eric von Stroheim,
and officers and men of the United
States Marine Corps. A touch of real-
ism and unquestioned military au-
thenticity is given to this great pro-
duction by the stage setting of the
Marine War Cantonment at Quan-
tico, Virginia, and by the participa-
tion of a regiment of Marines, com-
manded by their own officers.

The plot of the story contains
every element of interest, the appeal
to national pride and patriotism, the
development of a man's soul a friend-
ship that regards self-sacrifice as a
privilege and a great and chivalrous
love story.

The management of the Liberty
Theatre is to be congratulated upon
his discrimination in selecting the
epic play of the year to show his
patrons.

INTERESTING ITEMS FROM SAN CARLOS

Happenings in Our Northern Neighbor Town Reported by One of Its Residents

Mrs. Jack Schroeder was down
from San Francisco last Monday for
a visit with her sister, Mrs. Virginia
A. Lord.

Grover C. Mitchell who has been
living on the Britton ranch for some
years has now moved his family to
Belmont.

Mrs. F. G. Turner, daughter of
Mrs. Ben R. Thiele, came down from
San Francisco for a short visit with
her mother last Saturday.

The repairs to the State Highway
fronting on San Carlos has been de-
layed for several weeks waiting for
a car of cement, which has just ar-
rived, and Mr. C. Toole, in charge
of the work advises that the work
will now be prosecuted without fur-
ther delay.

It is to be hoped that every one in
town will be present at the Thrift
Stamp meeting at the school house
Thursday night and lend all the sup-
port possible to Mr. Thos. T. Wis-
man, director of San Mateo county,
in the work of organizing a branch
of the society here.

Mr. Chas. E. Wilent, candidate for
Justice of the Peace against Judge
Seely visited political headquarters
in San Carlos last Monday. Mr.
Wilent appears very sanguine for
success in his first step into the po-
litical arena of San Mateo county and
is leaving no stone unturned in the
matter of looking after his political
fences.

San Carlos is to enjoy its first
benefit entertainment and dance in
our new assembly hall on Elm street
on the evening of Saturday, June
15th. As all receipts are to be de-
voted to the benefit of the Red Cross
and as the price of admission is only
25 cents, it is to be expected that
every one in San Carlos will lend
their presence and support to this
very laudable event, and particularly
because it is the initial entertain-
ment and dance of the season. Many
guests from out of town are expected
and among them will be a large num-
ber of soldier boys from Camp Fre-
mont whom every one should be glad
to welcome and help entertain. Miss
Hind, our popular teacher, has the
arrangements in hand and she will be
assisted by others of her committee.
Don't forget the time and date, 8:00
p. m., Saturday, June 15th.

WATCH FOR ECLIPSE OF SUN 4 O'CLOCK THIS AFTERNOON

A solar eclipse will be total today in a narrow path running diagonally across the United States from Washington to Florida, but partial everywhere else in the United States. At San Francisco, which, of course, applies approximately for Redwood City, the moon will cover about 88 per cent of the sun's diameter at about 4 o'clock, 10 minutes. Observers are warned not to look at the crescent sun without suitable protection for their eyes. Carefully smoked glasses should be employed and the smoked surface of these can be protected by a plain glass cover, but be sure to bring the two glasses together.

WINDOW ADVERTISEMENT BRINGS WAR ON SEA HOME

In the window of the Ryan Drug Store there is displayed a double-page advertisement from a current issue of a great national weekly that brings the war on the sea directly home to this section, and to the store where the advertisement appears.

The proprietor of the store has a personal interest in the advertisement also, for it relates to war work that he is doing for the Government. Furthermore, he helped pay for it—and the cost of the "ad" for the single issue was \$10,000.

The advertisement asks for 50,000 men, between 21 and 30, for service in the new Merchant Marine. In the language of its headlines, it offers "50,000 jobs at sea" to clean-cut young Americans. It states that the U. S. Shipping Board will give them special training before putting them into actual sea service, carrying supplies to our armies and Allies in the fighting fields of Europe. So much importance is attached to this work that men accepted for it are exempted from a call to military duty.

The advertisement relates further that "the Rexall Stores throughout the United States, nearly 7,000 of them, have been designated by the Government as enrolling stations for the U. S. Shipping Board. At these stores, right in their own home towns young men may now 'sign on' for training and subsequent sea duty in the U. S. Merchant Marine."

The personal interest of Mr. Ryan, in common with other Rexall druggists, in this striking war announcement, is contained in the concluding words of the advertisement, which are: "This use of the stores and the expense of this advertisement are a contribution by the Rexall Stores to the cause of Liberty."

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Wedding bells will soon ring. A popular local belle is soon to wed a staid bachelor. The happy event is soon to take place.

Plans are being prepared for a new theatre in town. When they are accepted by Supervisor MacBain work on the building will commence at once.

Over 10,000 recruits are expected to arrive at Camp Fremont very soon. An advance guard of several hundred came into camp from the east during the week.

Mrs. Martin Sullivan is very low at her home on Santa Cruz avenue. No hope is entertained for her recovery.

Mrs. Sullivan is far advanced in years being considerably over 80.

The Menlo Pharmacy has been placed on a cash basis. Hereafter all purchases must be paid for on delivery. Urgent prescriptions may be settled for after delivery but this will only be the exception to the rule.

The closing exercises of St. Patrick's Seminary will take place on June 19th when the archbishop and a number of the clergy of the diocese will be present. The occasion will be one of intense interest to the priests of the state.

This week J. B. Corryell disposed of a piece of property near Butcher town in San Francisco for \$275,000. Mr. Corryell has large holdings in that locality which are valued at over a million dollars. It is reclaimed land and is now coming into value.

The annual retreat of the Catholic pastors of the archdiocese of San Francisco will be held at St. Patrick's Seminary on July 8th. On July 13th the retreat of the assistant pastors will be held. Over 150 priests will be at the seminary during these retreats.

The Misses Annie and Catherine O'Dea have purchased the Murray cottage on Oak Grove avenue and have moved from their former home in Santa Cruz avenue. The young ladies are employed by the Southern Pacific Company at San Francisco and are commuters.

The Red, White and Blue restaurant and lunch counter has been opened in the new building on Santa Cruz avenue opposite Duff and Doyle. Wholesome home cooking and dainty meals served by Mrs. Rifkin, the famous cook, the proprietor.

Word has been received by Mr. and Mrs. William Feeley that their son William Feeley, was on board the ill-fated troopship Moldavia that was torpedoed off the coast of England a short time ago. He was one of the survivors who reached England and is now at the American training camp there.

The theatre has given to the committee in charge of the K. of C. Fiesta the use of the theatre for Sunday afternoon, June 16th and the proceeds will go to the Committee. Good vaudeville and pictures will be presented and everyone will attend and swell the proceeds for the good cause.

Ravenswood avenue is now one of the most attractive thoroughfares in this vicinity. It was recently unpaved, macadamized and surfaced. It is the principal street to the amount station and is used considerably by the soldiers. Mr. Johnson, the roadmaster, deserves credit for the way he improved the road.

Mrs. Talbot C. Walker, who is passing the season in San Barbara, where she has been entertaining in her accustomed delightful style, was hostess at a dinner given at the Santa Barbara Country Club recently. The honored guest of the occasion was Charles Fernald of Chicago, who has been enjoying a pleasant stay in the southern city with his mother, Mrs. Charles Fernald and Miss Florence Fernald.

A company of over 2,000 recruits arrived at Camp Fremont two weeks ago from a certain district in Chicago and have just emerged from the casual camp. The men were born and raised in Chicago district and this is the first time the left it. They cannot speak English and are thoroughly ignorant of the ways of Americans. However, they are patriotic, willing to learn and anxious to get to the front to fight. Every consideration is being shown them. They will soon master the language as they are eager to learn and will make excellent soldiers.

Father W. P. Sullivan the newly appointed pastor of the Church of the Nativity preached his first sermon here on Sunday last. He is no stranger to the people of Menlo Park having served in another capacity here several years ago.

Father Sullivan is a native of San Francisco and received his early education in St. Patrick's School and Sacred Heart College. Entering St. Mary's College he graduated with the highest honors in the year 1897, and then took a post graduate course for one year in the same institution.

In the fall of 1898 Father Sullivan entered the University of Lille in France, where he completed his philosophical and theological studies and after a brilliant course of five years in this famous institution of learning, he returned to San Francisco where he was ordained in St. Mary's cathedral in July, 1903, by the late Archbishop Montgomery, the Coadjutor-Archbishop of San Francisco.

For a short time after his ordination Father Sullivan was temporarily assigned to St. Mary's cathedral receiving his first permanent appointment to St. Teresa's parish in San Francisco. After a year at St. Teresa's in the beginning of the year 1905 Father Sullivan returned to St. Mary's cathedral and with this cathedral and parish he has been identified with the exception of a short interval of time as assistant pastor for over thirteen years.

During the years of his priestly ministrations in San Francisco Father Sullivan has endeavored himself to all with whom he has come in contact. He is cherished by his numerous friends as a man of fine scholarly attainments, an eloquent speaker, an indefatigable worker, a genial, kindly gentleman, and a zealous and worthy priest. There has been no task to which he has put his hand—and they were many—that he has not brought to complete and successful fruition.

During all the years of his priesthood and in the fulfillment of the many and various duties and responsibilities which it brought to him, Father Sullivan has merited the fullest confidence of his Superiors, the kindest good will and warm-hearted friendship of his fellow priests, while his cheery manner, his kindly tact and prudent judgment have earned for him hosts of friends among the Catholic laity.
